

FIELD TRIPS TO GO!

Stuck inside this year? Not able to go on any awesome field trips?
How about we come to you?

At the Akron Fossils & Science Center, we believe the best way to learn science is to experience it! With **3** FIELD TRIPS TO GO themes to choose from, our hands-on, interactive learning can come right to you! For only \$10 per participant, our team will provide a learning experience that your students will never forget!

PLEASE NOTE:

- You must have at least 25 paid participants to book a FIELD TRIP TO GO.
- A \$50 deposit is due at the time of booking.
- A round trip mileage fee does apply. Please contact us for current mileage rates.
- Most FIELD TRIPS TO GO last about one and a half hours and can be a little messy, so please prepare accordingly.

FANTASTIC FOSSILS

Engage your students in the science of the past, as you move through our **3** part program which includes learning about fossils, the replication process, and the explosive world of volcanos!

Students will:

- Touch real fossils
 - Make their own fossil replica to take home
- AND**
- Learn about the different types of volcanos while erupting a model volcano!

CREATURE FEATURE

Enrich your students with the amazing world of zoology, as you move through our **3** part program which includes learning about the habitats, diets, and care of some of our animals!

Students will:

- Touch real animals
 - Feed real animals
- AND**
- Learn about the special care that is needed for these amazing creatures!

WACKY SCIENCE

Discover the excitement of chemistry and physics, as you move through our **3** part program which includes understanding physical changes, chemical reactions, and electricity!

Students will:

- Perform an experiment
- AND**
- Create goo
 - Learn about the world of electricity!
