### Project Limitations:

Electrical outlets are *not* guaranteed, but please do note if you would like one so that we can do our best to accommodate your project. \_\_\_\_\_

Presentation displays and demonstrations may not include any harmful chemicals, electrical hazards or explosives. All animals are to be humanely treated. Only lawfully obtained items may be presented in collections. Please note that it is unlawful to collect bird eggs, feathers, nests, and any native Ohio animals without a permit from the Department of Natural Resources.

## Teacher or Parent

I, the undersigned teacher or parent/guardian of my minor child/students, give permission for him/her/or my class to participate in the Akron Fossils & Science Center's Science Fair. I give permission for my child's/student's picture to be taken (and pictures of his/her/their project) to be used on the Akron Fossils & Science Center's website or in museum publications.
